EXAMINING DATA AND TECHNOLOGY IN THE MUNICIPAL FINANCE INDUSTRY

ISSUER PERSPECTIVES:
CHANGING THE WAY MUNICIPAL ISSUERS MANAGE
AND DISCLOSE FINANCIAL DATA

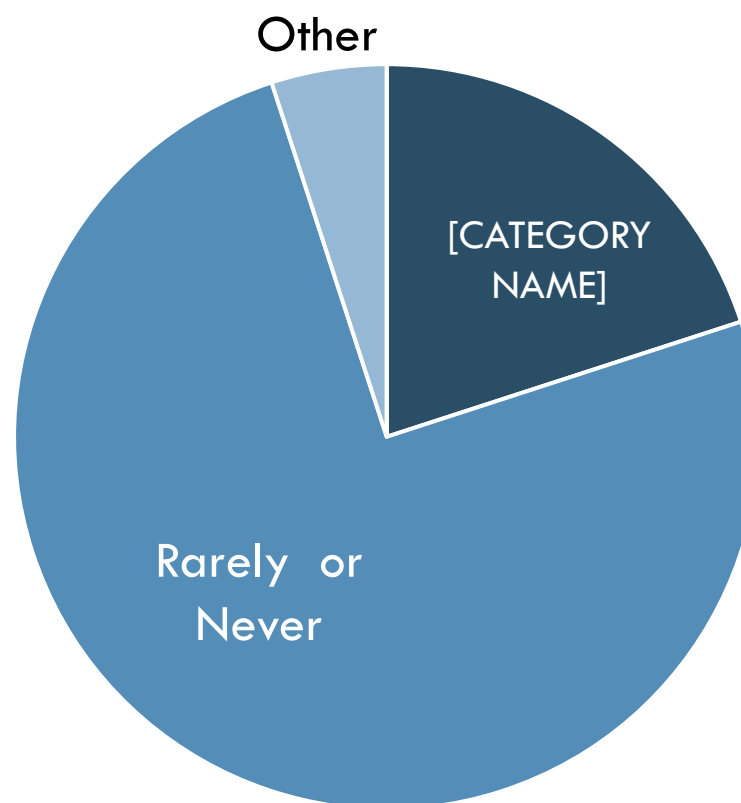

Disclosure

How much is enough?

Issuers rarely issue

How frequently do you issue debt in the municipal market?

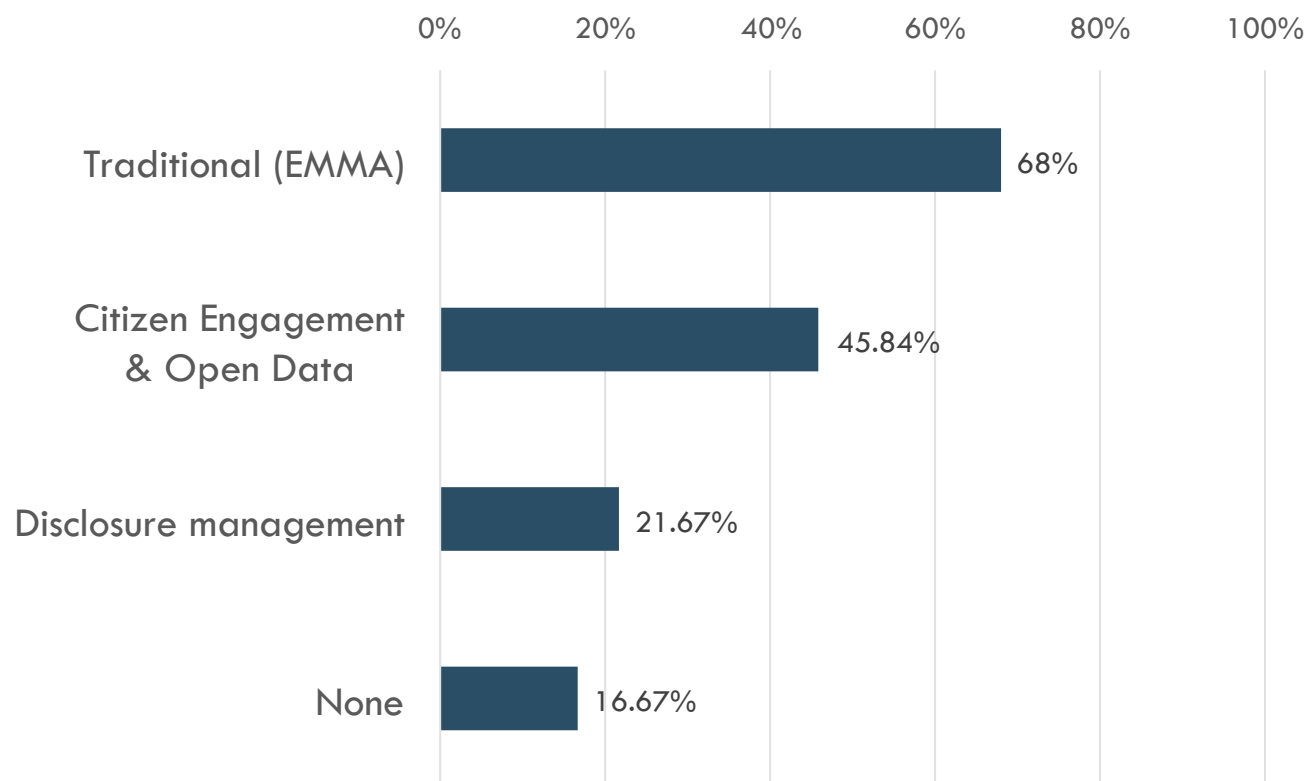

Emerging technology

Who benefits?

Agencies are sharing a lot

What technologies are used by your agency to provide information to the market or its constituency on financials?

But why not more?

What are the barriers to adopting new technologies to share information?
