

**NFMA INTRODUCTION TO MUNICIPAL CREDIT ANALYSIS
WEBINAR SERIES
TEN SESSIONS
NOVEMBER 2 – 23, 2020**

Each year since 1987, the NFMA has held the Introduction to Municipal Bond Credit Analysis. Though the pandemic prevents us from holding this event in person this year, we have invited speakers to discuss ten topics over a series of ten one-hour sessions. This course is designed for new analysts, support and sales personnel, and has also been found worthwhile for seasoned analysts seeking to brush up on other sectors.

All sessions will begin at Noon Eastern, and last approximately one hour. Registrants may attend the live session and/or watch the replay until February 1, 2021.
